

## CREDIT CLAIMING AND DISCLOSURES OF INTEREST

- **Continuing Medical Education Credits**

- **How do I claim my CME Credits?**

- On or after June 17, go to [www.aana.org](http://www.aana.org)
- Click on **Sign In to login** and then on **My Account**
- Click on the  Tab in your profile.
- Find the AANA2024 Event under credit claiming and hit “edit.”
- Type in the amount of credit commensurate with your attendance/participation (maximum is 20.00).
- Click 
- The 2024 AANA Annual Meeting will then appear below the **Credit History and Certificates** section.
- Print a certificate if needed. The certificate will indicate the maximum amount of CME.
- You may also print a transcript by clicking on the  bar.

- **CME Accreditation Statement:**

The Arthroscopy Association of North American (AANA) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

- **CME Designation Statement**

AANA designated this live activity for a maximum of 20 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

- **Continuing Education Units for the *Physical Rehabilitation Symposium***

- **How do I obtain documentation for CEUs?**

Please watch for an email regarding CEU credit claiming information on or about June 17.

- **CEU Accreditation Statement:**

This program has been planned and implemented in accordance with the requirements and policies of the Board of Certification for the Athletic Trainer (BOC) through the joint sponsorship of *the American Academy of Sports Physician Therapy* and *the Arthroscopy Association of North America*. *The American Academy of Sports Physician Therapy* is approved by the BOC to provide continuing education for Athletic Trainers.

- **CEU Designation Statement:**

*The American Academy of Sports Physician Therapy* (BOC AP#: P754) is approved by the Board of Certification, Inc. to provide continuing education to Athletic Trainers (ATs). This program is eligible for a maximum of 6.75 Category A hours/CEUs. ATs should claim only those hours actually spent in the educational program.

## 2024 AANA Annual Meeting, May 9-11, 2024 - Faculty Disclosures

| Full Name                      | Disclosures                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
