## Schedule/Eligibility

AANA reserves the right to review applications based on established policies. Published schedule is subject to change.

## **Exhibitor Registration and Badges**

Exhibitors are encouraged to register in advance. Each 10' x 10' booth is entitled to three complimentary badges. Additional badges (max 10 per island) may be purchased at \$350 each (non-refundable), not to exceed your original allotment. Exhibitor badges are personal and non-transferable. Each representative of an exhibiting company must wear the official badge at all times during the meeting. Badges are required for entry into the exhibit hall at all times. Badges are not transferable and will be confiscated if worn by others than the person to whom issued. The clear view of the official AANA badge shall not be obstructed. Therefore, business cards or any other materials are not to be used in AANA badge holders.

#### Union Labor

Exhibitors shall be bound by all contracts in effect between service contractors, the Hynes Convention Center and labor organizations.

### **Character and Construction of Exhibits**

AANA follows IAEE guidelines related to booth construction. Specific details are outlined in the Exhibitor Service Kit or available from AANA upon request. The general rule of the exhibit floor is "be a good neighbor." No exhibits will be permitted that interfere with the use of other exhibits or impede access to them or impede the free use of the aisle. Booth personnel, including demonstrators, are required to confine their activities within the exhibitor's booth space. Apart from the specific display space for which an exhibiting company has contracted with AANA, no part of the convention center, hotels, and its grounds may be used by any organization other than AANA for display purposes of any kind or nature. Within the Hynes Convention Center property, exhibitor brand or company logos, signs, and trademark displays will be limited to the official exhibit area only. The exterior of any display cabinet or structure facing a side aisle or adjacent exhibitor's booth must be suitably decorated at the exhibitor's expense. In fairness to all exhibitors, no noisy or obstructive activity will be permitted during show hours, nor will noisily operating, display, nor exhibits producing objectionable odors be allowed. Booths two stories or higher must submit plans to AANA for approval. Display material (including show case displays or storage cabinets, electical fixtures, wire, conduits, etc.) must adhere to the Exhibit Construction Guidelines outlined in the Exhibitor Service Kit.

#### Solicitation

No exhibitor may call or invite a visitor out of one exhibit and into their own. Exhibitors must remain within their own exhibit space in demonstrating products, distributing literature, product samples, or other materials; other areas of the hotel and convention center or the aisles may not be used for this purpose.

#### A/V Usage

Audio relating to exhibitor's equipment is permitted, provided projection equipment and screen are located in the rear one-third of the booth, and all viewers stand or sit within the booth. Sound movies may be permitted only if the sound is not audible in the aisle or neighboring booths. Sound systems may be permitted if tuned to a conversational level and if not objectionable to neighboring exhibitors. Videotaping and streaming is not allowed by exhibitors without approval from AANA.

# Lighting

In the best interest of the exposition, AANA reserves the right to restrict the use of glaring lights or objectionable light effects.

# Safety Regulations

Fire regulations require that all display materials be fire resistant or treated with a flame- retardant solution to meet requirements of the standard flame test as provided in the Hynes Convention Center and its municipality for fire prevention. Electrical signs and equipment must be wired to meet the specifications of Underwriters Laboratories. No storage of any kind is allowed behind the back drapes or in the exhibit space. All cartons, crates, containers, and packaging materials will be stored by the official service contractor at the exhibitor's expense. Up to one day's supply of operational materials may be stored within the exhibit space. All aisles, corridors, exit areas, and exit stairways must be maintained at their required width at all times that the exposition is open. No obstruction, such as chairs, tables, displays, or other materials, will be allowed to protrude into the aisles. Each exhibitor is charged with knowledge of all laws, ordinances, and regulations pertaining to health, fire prevention, and public safety while participating in this exposition. Compliance with such laws is mandatory for all exhibitors and the sole responsibility is that of the exhibitor.

# Photography and Sketching

Cameras, camcorders, video recorders, and digital cameras may be carried in the exhibit area, but under no circumstances may photographs, drawings, audio or video taping be made and/or will be allowed without expressed authority of the exhibitor concerned in each case. AANA reserves the right to allow its contracted photographer to take general photos of the exposition at select times during the Annual Meeting. The photographs will be retained by AANA and used only for general promotion of future Annual Meetings.

# Complaints and Amendments of Rules

This contract shall be governed by the laws of the city of Rosemont, IL, USA. Exhibitor agrees to abide by the rules and regulations of the Hynes Convention Center. Any claim or dispute related to or connected with this agreement shall reside in the courts of the State of Illinois.

# Indemnification and Insurance

Exhibitors shall indemnify, hold harmless, and defend AANA, the Hynes Convention Center, their directors, agents, and employees from any and all losses, claims, liability, damage, action, judgment recovered from or asserted against them, or other expense (including, without limitation, attorneys' fees and expenses) arising out of or relating to the exhibitor's use of the convention center or from the conduct of exhibitor's business or from any activity, work, or things that may be permitted or suffered by exhibitor in or about the exhibit and the convention center or from any breach or default in the performance or any obligation on the exhibitor's part to be performed under any provision of this agreement or arising from any negligence of exhibitor or any of its agents, contractors, employees, or invitees, including but not limited to the use of patented, trademarked, or copyrighted materials, equipment, devices, processes, or dramatic rights furnished to or used by exhibitor, or other persons in connection with the exhibit and the convention center. Insurance protection will not be afforded to the exhibitor either by AANA or the Hynes Convention Center. Exhibitors shall carry their own insurance to cover exhibit material against damage and loss, and public liability insurance of at least \$1 million per occurrence and \$1 million aggregate, against injury to the person and property of others. Policies shall name AANA as a named additional insured. Certificates of insurance must be furnished prior to move-in at the Hynes Convention Center. Mail your proof of insurance by March 1, 2023, to: AANA, c/o: Conventus Media, 55 Ferncroft Road, Suite 200, Danvers, MA 01923.

## Meetings/Events/Promotions Outside of the Exhibit Hall

Because AANA has invested significant resources to make the Annual Meeting happen, AANA prohibits companies and organizations to host activities for meeting attendees beyond the activities of companies outside the venues listed above. Certain exceptions may apply. Please fill in the Meeting Request Form and submit to AANA if you wish to host an activity of any kind, including a social event, Advisory Board, meetings, etc. In all cases AANA must approve the date, time and location of the event and times may not conflict with AANA activities.

# Booth Accessibility/ADA Compliance

Exhibitors shall be responsible for compliance with the Americans with Disabilities Act of 1992 with regards to their booth space, including, but not limited to wheelchair access. Further information regarding ADA compliance is available via phone at (800) 514-0301 or at www.usdoj.gov/crt/ada/infoline.htm.

#### Security

Professional security guard service is provided throughout the exhibitor installation and dismantle periods. AANA arranges to provide hall security after hours during the exposition. However, AANA, security service, and the Hynes Convention Center are not responsible for any loss or damage to exhibitor property.

#### Advertising

AANA does not endorse or promote any products or services related to an exhibit. The use of the AANA logo, name, Annual Meeting artwork or any representations thereof shall be only at the express written consent of show management. To prepare for the meeting in a timely and efficient manner, third parties acting on behalf of or representing the exhibitor must adhere to and abide by all AANA rules and regulations. It is the exhibiting company's responsibility to make its agencies and/or contractors aware of all guidelines and deadline dates and to forward promotional materials, service manuals, and forms that are the responsibility of the third party.

### Distribution of Advertising Material

Canvassing any part of the exhibit hall or meeting rooms by anyone is strictly forbidden. Anyone doing so will be escorted from the AANA Annual Meeting. Canvassing or distributing of advertising material by an exhibitor will not be permitted outside of the exhibitor's allotted booth space. Distribution of any literature through the official AANA hotels is not permitted. Exhibitors may not use AANA or Assembly logos in connection with any product or advertising materials.

## Demonstrations, Interviews, Subletting

Demonstrations by exhibitors should contribute to the attendee's knowledge in a professional way. Demonstrations and adequate space for interviews should be available within the confines of the individual exhibitor's booth. No interference with normal traffic flow and infringement on neighboring exhibits is permitted. Exhibitors must seek permission from AANA to host any such activities. Additional fees and time restrictions may apply. Any exhibitor-initiated market research taking place on the show floor must be reviewed and approved by AANA.

# Product Samples/Promotional Items

AANA only permits exhibitor giveaways that are educational and modest in value. This restriction does not apply to nonprofit exhibitors or to exhibitors outside the health care sector. In all cases, exhibitors must complete and submit a form with details to show management. Show management will review each request.

# FDA Disclosure Requirements

Displays or graphical depictions of drugs or devices declared investigational or unapproved by the United States Food and Drug Administration (FDA) must (1) contain only objective statements about the product; (2) contain no claims that state or imply, directly or indirectly, that the product is reliable, durable, dependable, safe, or effective; and (3) contain no claims that the product is in any way superior to any other marketed products. These drugs/devices must be displayed solely for the purpose of obtaining investigators and be accompanied by instructions for becoming an investigator and investigator responsibilities. Drugs/devices will only be permitted when accompanied by appropriate signage indicating the clearance times. Signs must be visible, near devices (clearly legible), and contain the following or similar statement: "Caution: Investigational Device Limited by Federal (or United States) Law to Investigational Use." Clear unequivocal statements that the drug/device is under investigation and is available only for investigational use are to be made in oral presentations. Exhibitors are further advised to adhere to the FDA prohibition on the promotion of cleared drugs and devices for unapproved uses. Specifically, pharmaceutical manufacturers cannot proactively discuss off-label uses, nor may they distribute written materials (promotional pieces, reprints of articles, etc.) that mention off-label uses. FDA defines off-label use as "use for indication, dosage form, dose regimen, population, or other use parameter not mentioned in the approved labeling."

# Genera

The terms of this contract and all other rules and regulations applicable to the Annual Meeting and exhibitor's space may be amended at any time by AANA, and all amendments so made shall be equally binding on the exhibitor and all other exhibitors affected by them. In the event of any amendment or additions to this contract and/or other rules and regulations applicable to the event and the exhibitor's exhibit space, written notice will be given by AANA to the exhibitor and all other exhibitors that may be affected by them. # Interruption or Prevention of Annual Meeting

In the event the Annual Meeting is interrupted or prevented to be held for any reason beyond the control of AANA, then this exhibit space contract shall terminate and the exhibitor hereby waives any claim against AANA for damages of any kind or nature by reason of such termination except that any unearned portion of the space rental due hereunder shall abate, or, if previously paid, shall be refunded by AANA to the exhibitor after deduction of such amounts as may be necessary to cover expenses incurred by AANA in connection to the Annual Meeting.

# Sanctions for Violations

AANA reserves the right to control or prohibit any exhibit that, in its opinion is objectionable, may detract from the general character of the exposition and is not in keeping with the policies of AANA. This reservation refers to companies, persons, products, and printed matter. AANA may impose appropriate sanctions regarding current or future participation in AANA exhibit programs. In the event of such restrictions or eviction, the Arthroscopy Association of North America will not be liable for any refunds, rentals, or exhibit expenses.
