

## Innovations in Hip Arthroscopy

September 13-14, 2024

Orthopaedic Learning Center, Rosemont, Illinois

Innovations in Hip Arthroscopy	
September 13, 2024	
3–3:30 p.m.	<b>Course Registration</b>
3:30-3:35 p.m.	Welcome and Course Overview Spiker
3:30–4:15 p.m.	Non-CME Industry Demonstration
4:15–7 p.m.	<b>Case-Based Panel Discussions</b>
	Topic: Labrum and Cartilage
	Topic: Capsule
	Topic: Open Versus Scope
	Topic: Extra-Articular Hamstring and Abductors
	<b>Brief Intermission – 6:00-6:15 p.m., Dinner Available in Lobby</b>
	Topic: Practice Management (Marketing, Social Media, Networking, Reputation Management)
7–8 p.m.	Industry-Sponsored Happy Hour
8 p.m.	Session Adjourns

Innovations in Hip Arthroscopy	
September 14, 2024	
7:30–8 a.m.	Arrive to OLC – Please Change Into Scrubs
8 a.m. –Noon	<b>Cadaver Lab Session 1</b> Ultrasound Demo: 7:30–8 a.m.

	<p>Goals: Ultrasound, Hip Joint Access, Central and Peripheral Compartments, Capsular Approach, Diagnostic Arthroscopy, Acetabular Rim and Articular Cartilage Management, Femoroplasty</p> <p>Demo: Hip Joint Access</p> <p>Demo: Central Compartment: Diagnostic Arthroscopy, Acetabular Rim, Labral Repair</p> <p>Demo: Peripheral Compartment: Osteoplasty, Capsular Repair</p>
<b>Noon–1:30 p.m.</b>	<p>Debates:</p> <p>Labrum: Repair vs. Reconstruction</p> <p>Capsule: Capsulotomy vs. Periportal</p> <p>Osteoplasty: Dynamic Exam vs. Image-Guided</p> <p>Biologics: Steroid vs. Cells</p>
<b>1:30–2:30 p.m.</b>	Industry Non-CME Industry Demonstration
<b>2:30–3 p.m.</b>	Break
<b>3–5 p.m.</b>	<p><b>Cadaver Lab Session 2</b></p> <p>Goals: Capsule Closure, Peritrochanteric Space Access, Proximal Hamstrings and Deep Gluteal Access</p> <p>Demo: Peritrochanteric Space Access and Gluteal Repair</p> <p>Demo: Deep Gluteal Access and Hamstring Repair</p> <p>Demo: Open Dissection Demo</p>
<b>5 p.m.</b>	Course Adjourns

## Learning Objectives

After completing this course, the participant will be able to:

- Evaluate and manage clinical presentation associated with common hip disorders and define performance outcomes.
- Develop and practice surgical skill access to the hip joint.
- Evaluate and apply arthroscopic techniques for hip disorders.

## Statement of Need

AANA has determined the need for this live educational activity based on identifying professional practice gaps, previous course evaluations and the AANA Self-Assessment Examination. The educational content of this activity was based upon current issues and topics provided by AANA planning committees and membership.

## Continuing Medical Education/Credit Designation

The Arthroscopy Association of North America is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Arthroscopy Association of North America designates this live activity for a maximum of 18.00 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

*This activity may also help fulfill the Maintenance of Certification credit requirements mandated by the American Board of Orthopaedic Surgery.*
