## EDUCATION FOUNDATION NEWS

### Introducing the New AANA Education Foundation: Seeing Beyond the Scope

The AANA Education Foundation released a new brand and tagline, “Seeing Beyond the Scope,” mid-May to both move forward alongside AANA and make a more impactful impression on individual donors and corporate sponsors. The new AANA Education Foundation mark emphasizes the commitment to AANA through continued funding of orthopaedic education programs – all made possible by your donations. **[Learn more about all the unique ways the AANA Education Foundation is “Seeing Beyond the Scope.”](#)**

### Military Scholarship Opportunities Now Available

Original grant funds generously provided by The Brown Foundation for the now-canceled AANA/SOMOS Course have been repurposed into scholarships for military surgeons to attend an upcoming AANA Lab Course. Scholarships can be applied towards **Knee & Shoulder Course**, **Hip Course** or **Advanced Knee Course**, all scheduled for later this year. Each scholarship will cover the course registration fee up to \$1,999 and \$500 for travel expenses. *Special thanks to The Brown Foundation and Richard K.N. Ryu, M.D. for making it possible for The AANA Education Foundation to honor and assist our military service members.* **Military surgeons are encouraged to apply!**

## International Resident Scholarship Winner for 2020 Announced

We would like to congratulate our 2020 International Resident Scholarship recipient: Patrick G. Robinson, M.D. Dr. Robinson is a fourth-year Orthopaedic Resident at the University of Edinburgh, United Kingdom, with a strong interest in hip arthroscopy and the efficacy of orthobiologics as a treatment adjunct. Dr. Robinson will have the exclusive opportunity to attend an AANA Lab Course in 2021. **[Learn more about the International Resident Scholarship opportunity.](#)**

## WHAT'S NEW WITH INDUSTRY

**COMING SOON!** "What's New With Industry" will feature exclusive partnership information and other related news. **Stay tuned for more information and updates next month!**

## FUNDING INITIATIVES

### Fund a Resident/Fellow Scholar

The AANA Education Foundation is positioned to see beyond the scope by helping fund hands-on lab and skills training opportunities that address surgical training gaps resulting from recent COVID-19-related interruptions. Funding a Resident or Fellow Scholar helps them to attend a variety of hands-on learning opportunities. **[Learn more about this funding initiative.](#)**
